The Class of '78

R. Hoque (Vice President), M. Baker (Secretary), A. McCleaf (President), T. Barlup (Treasurer). Advisors in top picture: Mr. Terry Eberly and Mr. Robert Cutchall.

The truly great class of '78 has been a group of magazine-selling sophomores, a band of enthusiastic prom decorators and candy salesmen, and this year, selling various gift and household items, a team playing their victorious last season. With their excellent advisors, Mr. Terry Eberly and Mr. Robert Cutchall, the class really did well in their money-making projects. "Dream On," the 1977 Prom, was an enchanting night to remember. The climax of all their hard work was the memorable class trip. The seniors were shining examples of twelve vigorous years of learning.

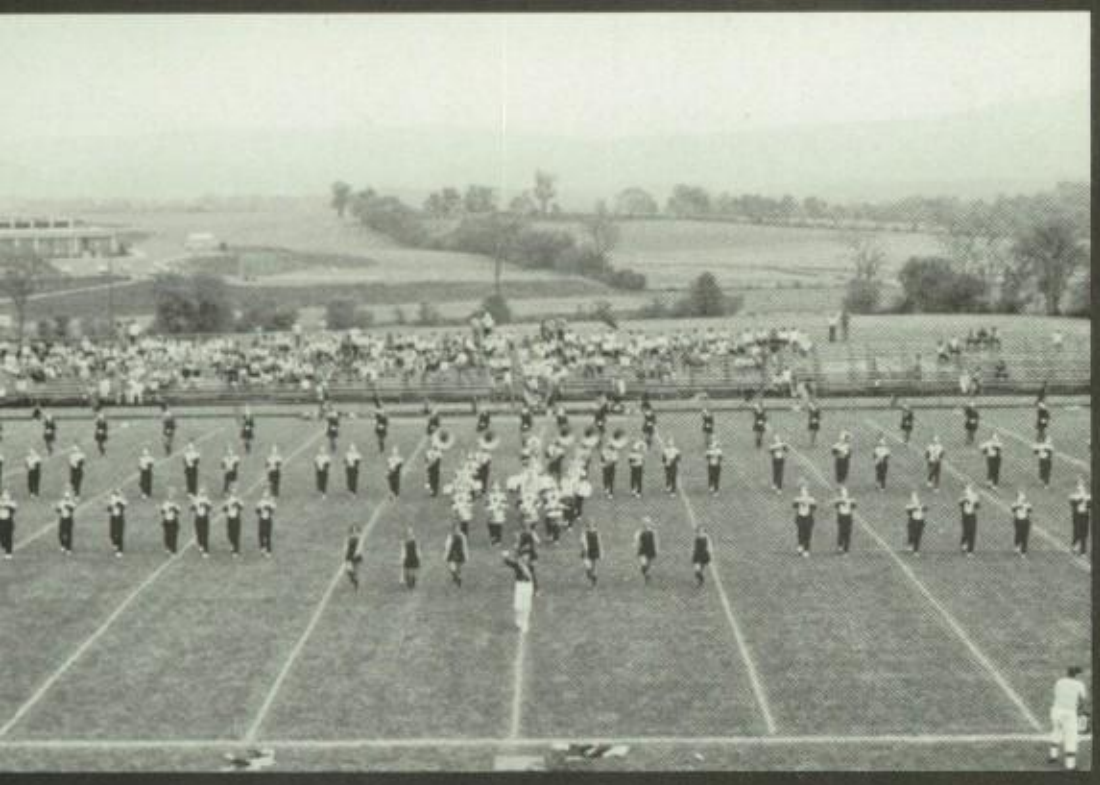
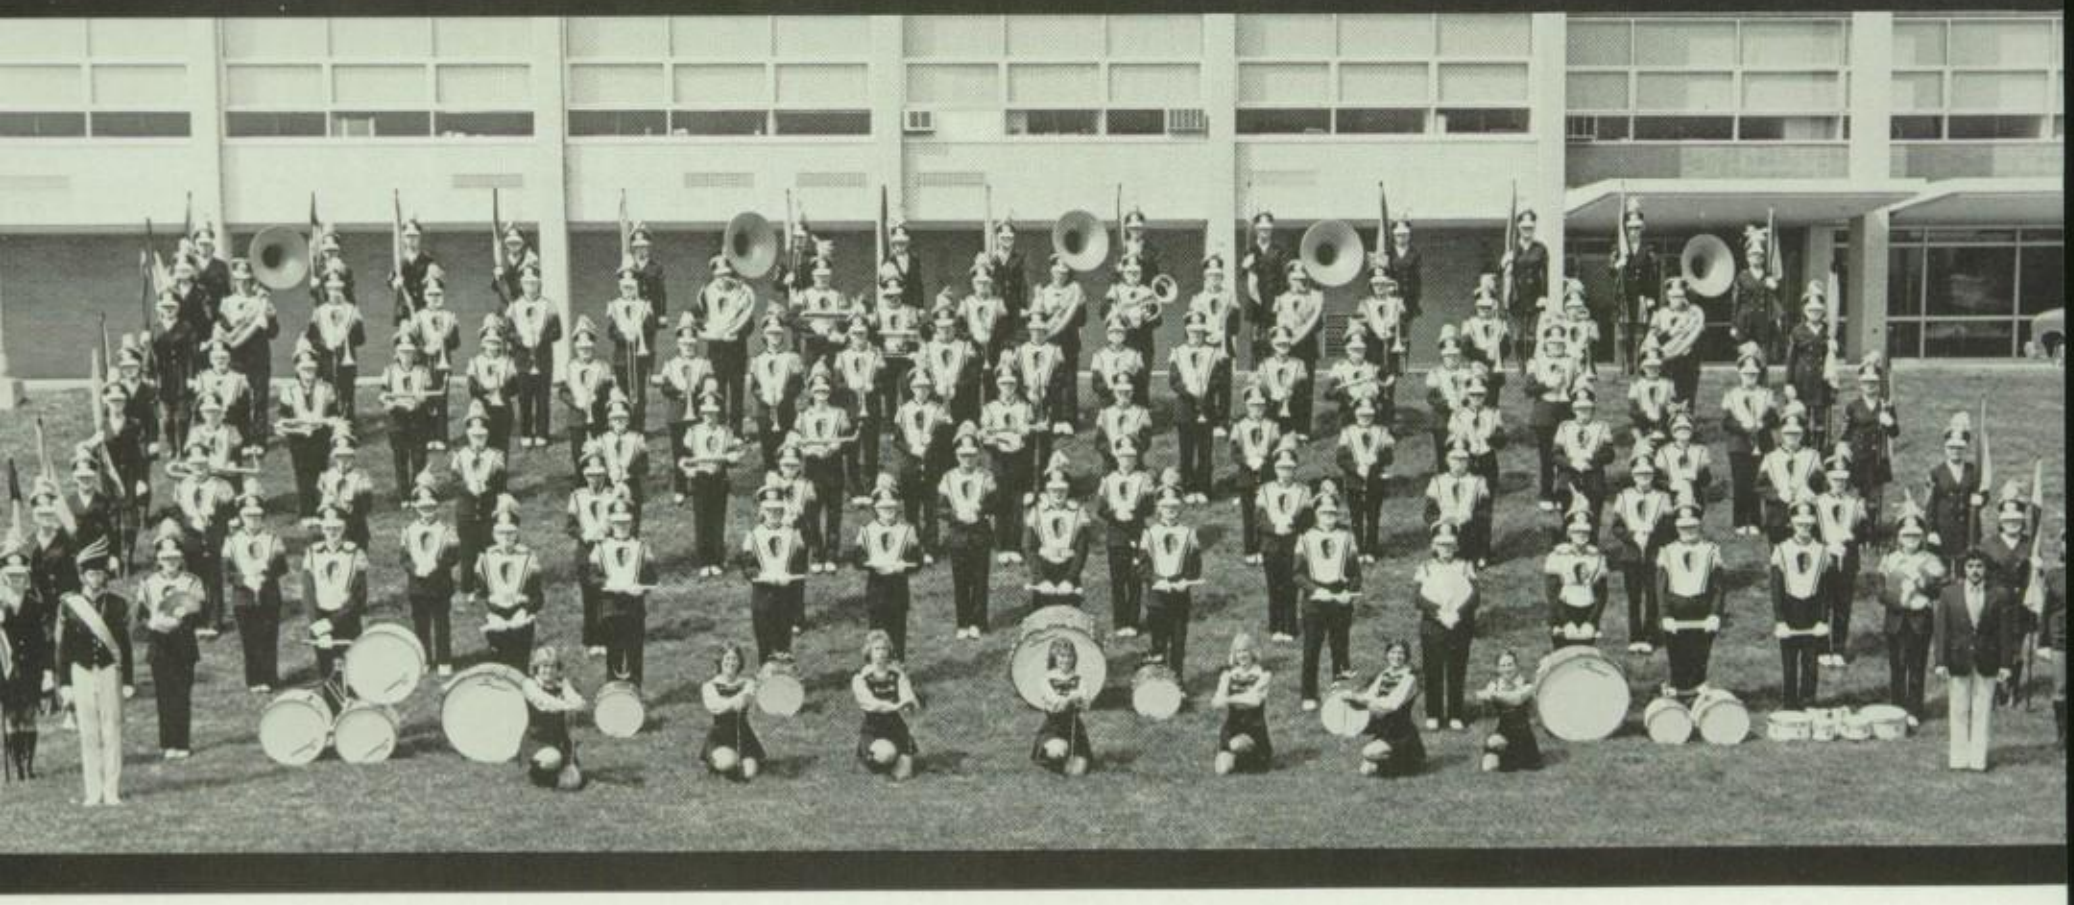
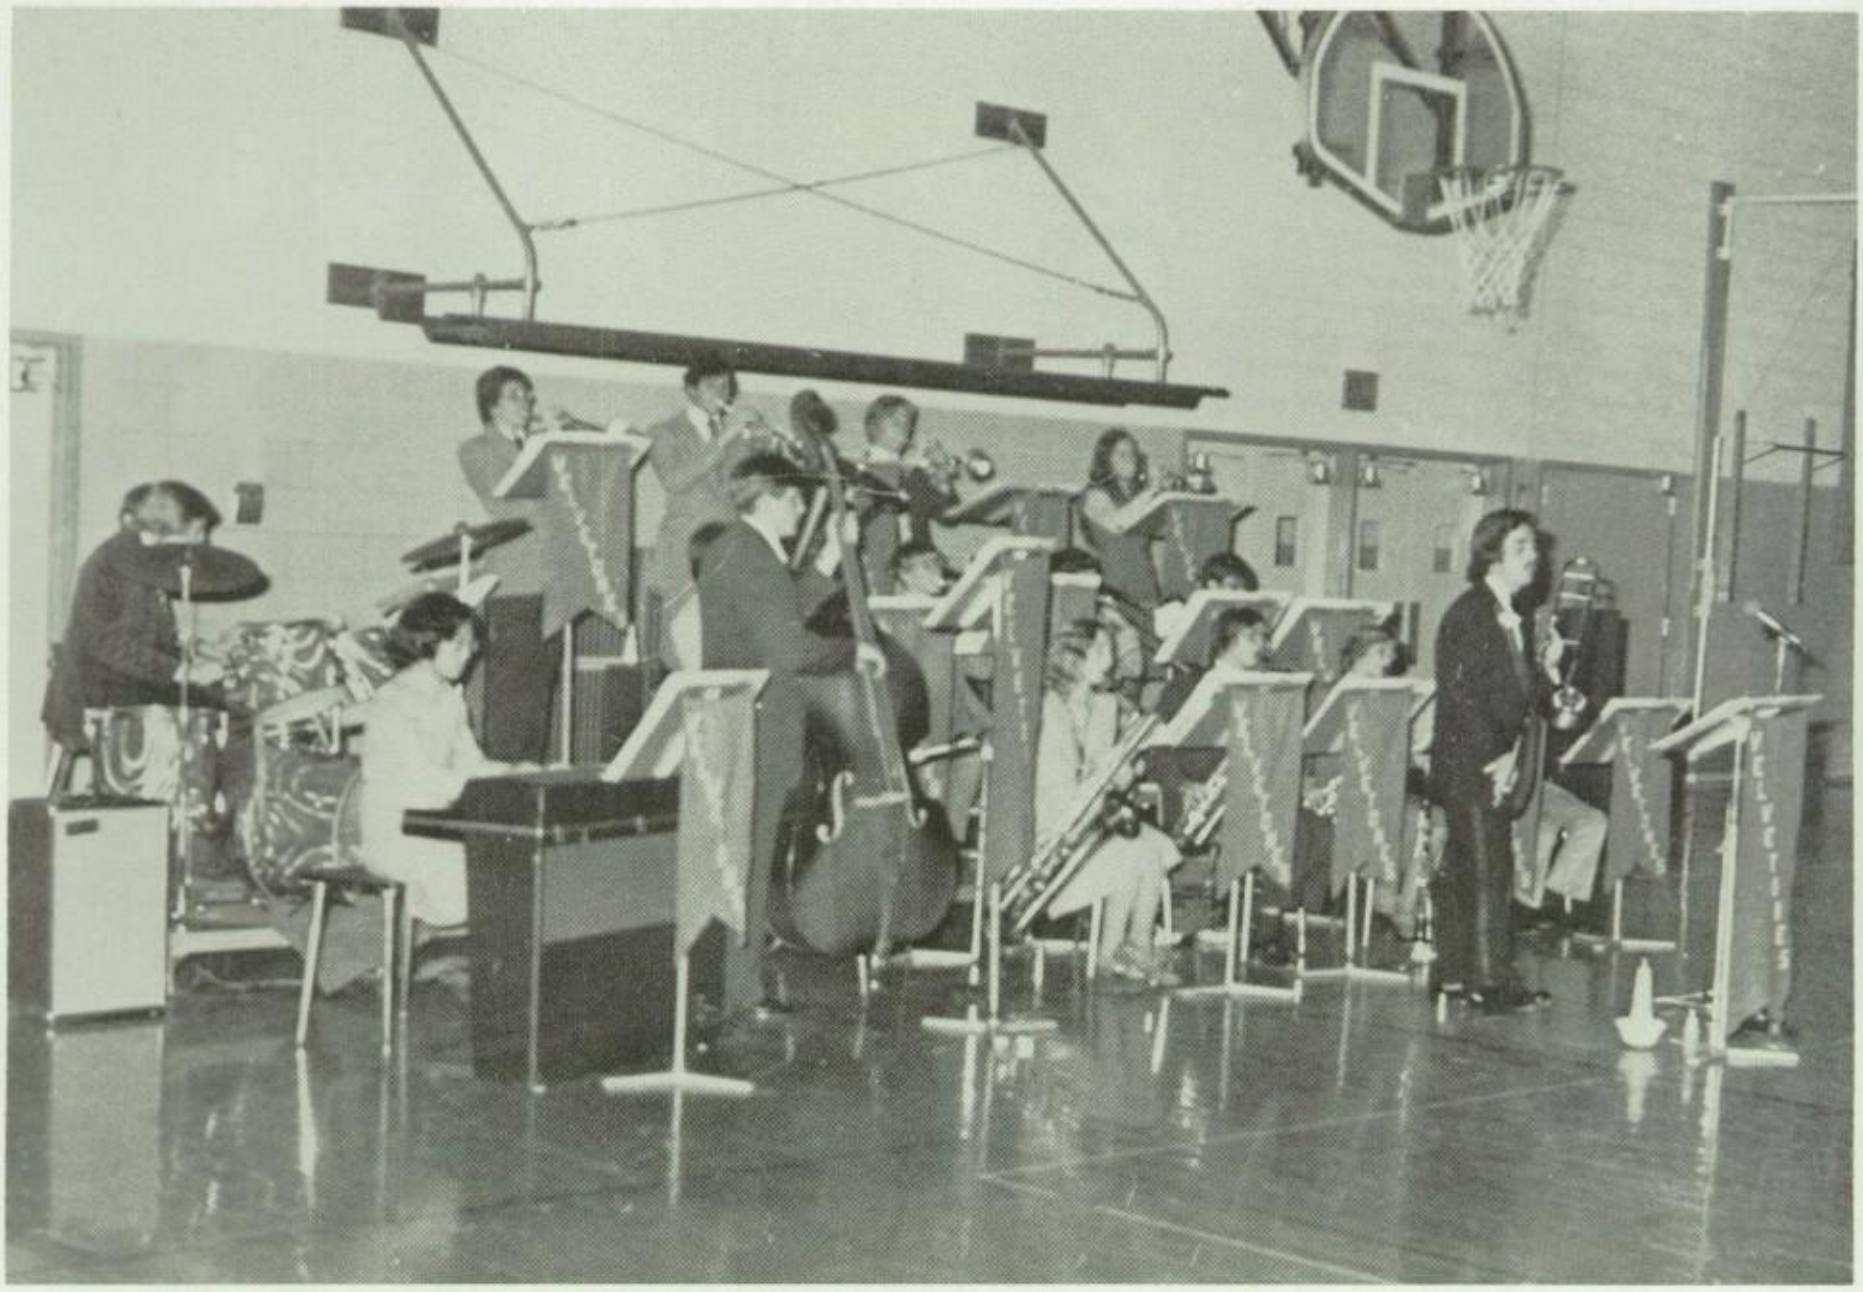
THE INDIAN BAND



The Indian Band is traditionally one of the most active organizations at WASHS. Drum major John Hollen led the band through the football season and the various area parades. The concert band under the direction of Mr. Lee Knier presented its Midwinter and Spring concerts, and traveled to Chattanooga, Tenn. for the ARMED FORCES DAY PARADE. The band has rapidly gained support through all of its fine performances.





The high school jazz band, the Velvetones, is always known for their big band sound and this year held two dances, the Christmas Ball and in the spring, the Mardi Gras Ball. Both dances were successful and the proceeds went toward the band trip to Chattanooga. The Velvetones are directed by Mr. Lawrence E. Knier.

QUARTET AND CHOIR

Who can resist that handsome foursome of singers known as the Uncalled Four? These smiling faces are Jerry Sell; bass, Kip Bonner; lead, Tim Doyle; tenor, and Jon Atherholt; baritone. Their many after-school practices and fun-loving spirits are responsible for their professional sound. May there forever be a barbershop quartet at WASHS!

Composed of all the singing groups here, the Choir is naturally a large organization. Every member can be proud that their efforts are appreciated and enjoyed at all the gatherings in which they entertain.

For the third consecutive year, the sale of their "collector's item" calenders, featuring appealing churches and chapels of the Waynesboro area, was an immense success. Membership in the horizon-widening club is open to all students with interests in furthering their art experience. (Not to mention working with the local leprechaun, Mr. McFarland)!

Along with Editor-in-Chief Mary Beth Rovnak, they were supported by page editors Todd Dorsett, Kim Calimer, and Carla Valentine. The paper dealt with many serious school related issues, and at the same time brought out the humorous aspects.

STUDENT COUNCIL

K. Schaeffer (secretary), B. Naphy (vice-president), S. Hunsecker (President), K. Wierman (Treasurer).

This year's student council did exceptionally well in gathering the student body together. The first major event was the traditional Homecoming Week. This year, however, the council added "Special Days": 50's day, flower day, tear-up T.J. day, Blue and Gold day. All days went over well. The Welfare Committee made a point of sending get-well cards. Constitution/Charter Committee made improvements on the WASH Constitution. The Communications Committee put up a monthly school calendar in the trophy area. The Citizenship Committee was responsible for Student of the Month. The Rights and Responsibilities Committee kept students informed of their rights. The Social Committee was in charge of activities nite, and other special events. The Student Council voted to contribute $200 to the Alexander Memorial Free Library Fund.

The National Honor Society is made up of seniors and juniors who have shown scholastic accomplishment, character, leadership and citizenship. In March 1977, in a candlelight ceremony, the incoming juniors were inducted into the society. Afterwards, a tea was held for members and families.

Several options for field trips were discussed and decided upon. A year-end picnic was held at the home of Mrs. Bushman, advisor. Mrs. Kulp also guided the group. The 1977-78 officers were: Jack Mattern, president; Margaret Garcia, vice-president; Donna Newlin, secretary; and Sue Gates, treasurer.

Who are the local bookies? Those helpful people you see working in the library, that's who! They work at least two periods a week, taking care of fines, shelving and helping other students.

In the spring, the club sponsors a Faculty Tea. Also included in their activities are keeping a school scrapbook and observing National Library Week.

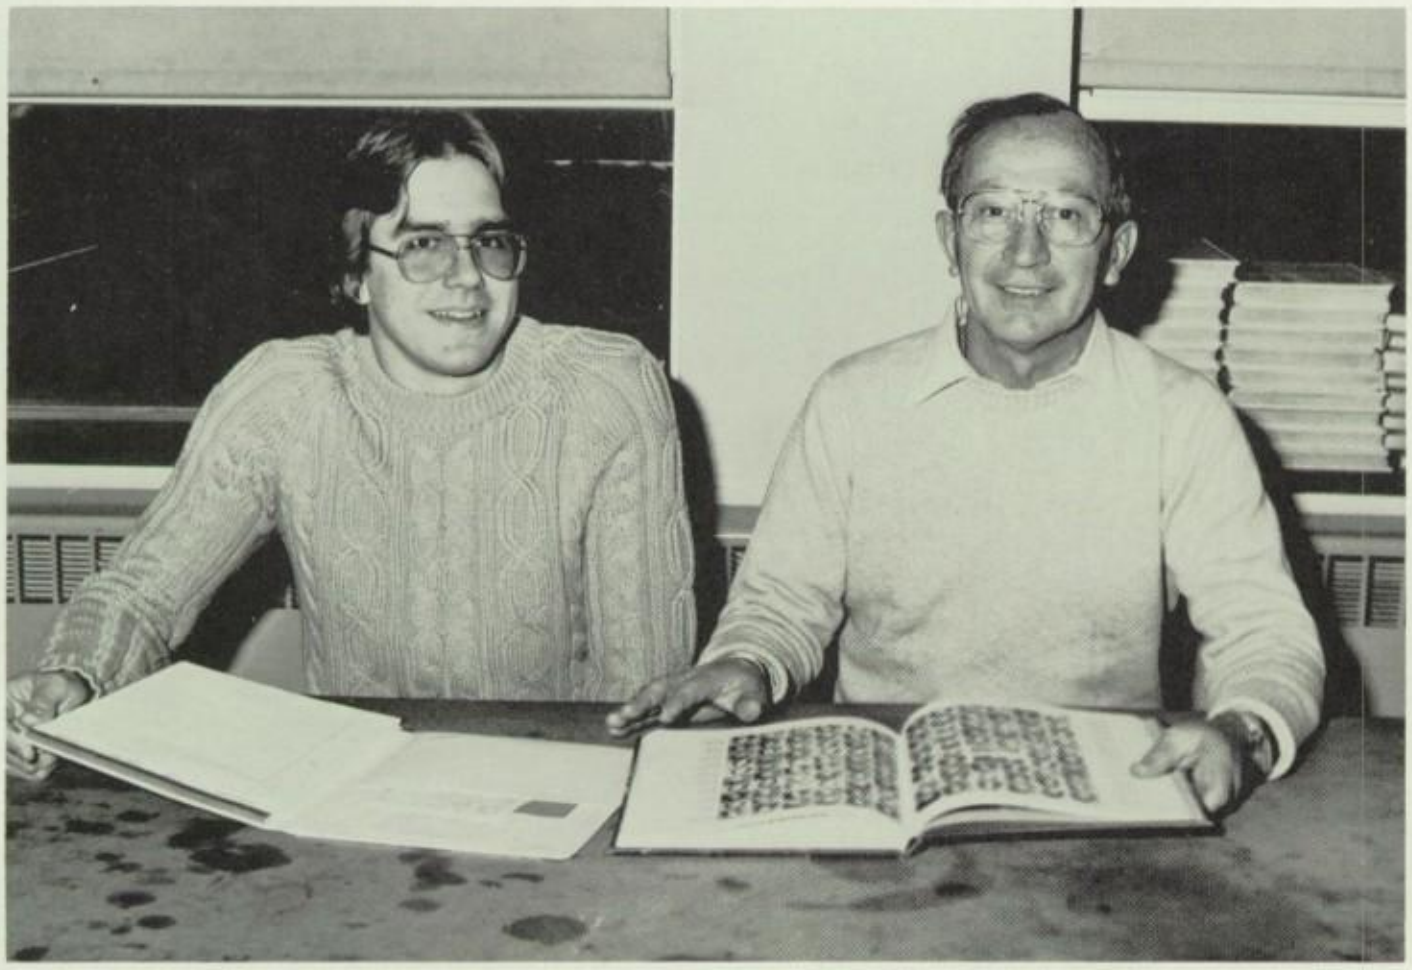
Co-editors Raquiba Hoque, Cydney Savage, and Kitty McCoy combined creative talent and writing ability to create the 1977-78 WAYARIAN. Along with many dedicated staff members such as Betty Cox, Herman Walters, Kim Calimer, Frances Bassett, Denise Bercaw, Melissa Cox, Dawn Dee Coldsmith, and typist Linda Niedentohl, this staff gave up many hours of spare time to produce a fine yearbook. Appreciation and thanks is also given to contributing student photographers Matt Shindledecker and Chuck Morningstar, Dawn Dee Coldsmith, and Mark Hutton. Mr. Rankin, Mr. Knier and Mr. Bennett provided a high quality of leadership to those involved.



C. Kreichbaum, R. Rankin (advisor).

Mr. Rankin and his Wayarian Business staff handled the advertisement section of this year's Wayarian. Cas Krichbaum was a major factor in organizing the selling of advertisements to area businesses. This staff determines the price of your yearbook, and thanks to them the price was reasonable yet another year.

The group had a successful candy-selling project. Also featured were interesting guest speakers at meetings, among whom was Maria Fuchs - this year's AFS student with delightful stories and views from Austria. An AFS weekend is another of their fun projects. Friendships which can span oceans and continents are made and remembered here.

How could we get through a whole day without a "thought for the day?" Well, thanks to Morning Announcements, that's one less thing to worry about. Advisor Mrs. Bucy, with the help of Mr. McDonald, once again assured that everyone was well-informed of school happenings, athletics, and of course, the school menu. Keep talking group, WASHS appreciates it.

On Monday nights in January and February, members of the Senior High Ski Club in their colorful skiwear converged upon and overwhelmed an unsusupecting Ski Liberty. The luckier skiers had their personal equipment while the rest scrambled into the rental shop for boots, poles and skiis. At 4:00 the lessons began for beginner bunnies and experienced snow ''flakes'' alike. After the hour lesson was finished the rest of the evening could be spent shooshing down the near-vertical advanced slopes or the definitely horizontal bunny slopes. The advisors, Mr. and Mrs. Beaumont, Mr. Hersh and Mr. Smith were the strong organizers of one of the school's largest and most enjoyable clubs.

The club sold calendars and held bake sales as projects.

The Tau Kappa Phi sorority of WASHS is one of the special organizations which contributes not only to the school, but to the community as well. Members of TKP under the direction of Mrs. Carol Manahan decorate the school on special occasions and set up a Christmas tree in the main hall for Christmas. Their service projects include presenting Thanksgiving and Christmas baskts for the needy in Waynesboro.

BOOKSTORE AND BUSINESS CLUB

The WASH Bookstore is an invaluable service organization for the students of Waynesboro Area Senior High. It has been in operation for twelve years. Because the bookstore operates on a small profit margin, it is able to supply at reasonable cost to the students such items as gym suits, jackets, sweaters, and year shirts as well as a wide variety of needed shcool supplies.

Each year the WASH bookstore sponsors the "Outstanding Business Student Award" which is an award given to the outstanding senior business student on Awards Day.

MARIA FUCHS OF AUSTRIA

This year, our special friend, Maria Fuchs of Austria, has brightened up the halls of WASH with her beautiful smile. She enjoys many of the after school activities. An enthusiastic participant of ski club, pep club, music club, the All School Production and friends international, she enjoys skiing and singing the most. She feels that Waynesboro is full of friendly people and her American family, the Baughers, have been wonderful, especially with helping her with the English language. Maria will miss hamburgers, pizza, Friday nights, and Saturdays off from school. She still has one more year of school in Austria and is thinking of going to college.

This year's Homecoming week proved to be one of WASHS' best. Each day was designated special with the likes of Blue and Gold Day, Flower Day, and 50's Day. The entire school was caught up in the spirit. Candidates for Homecoming Queen were Becky Huff, Mickie Shank, Jenny Arendt, Shawn Hunsecker, and Marcia Baker who became Homecoming Queen. The festivities were concluded with a Dance.

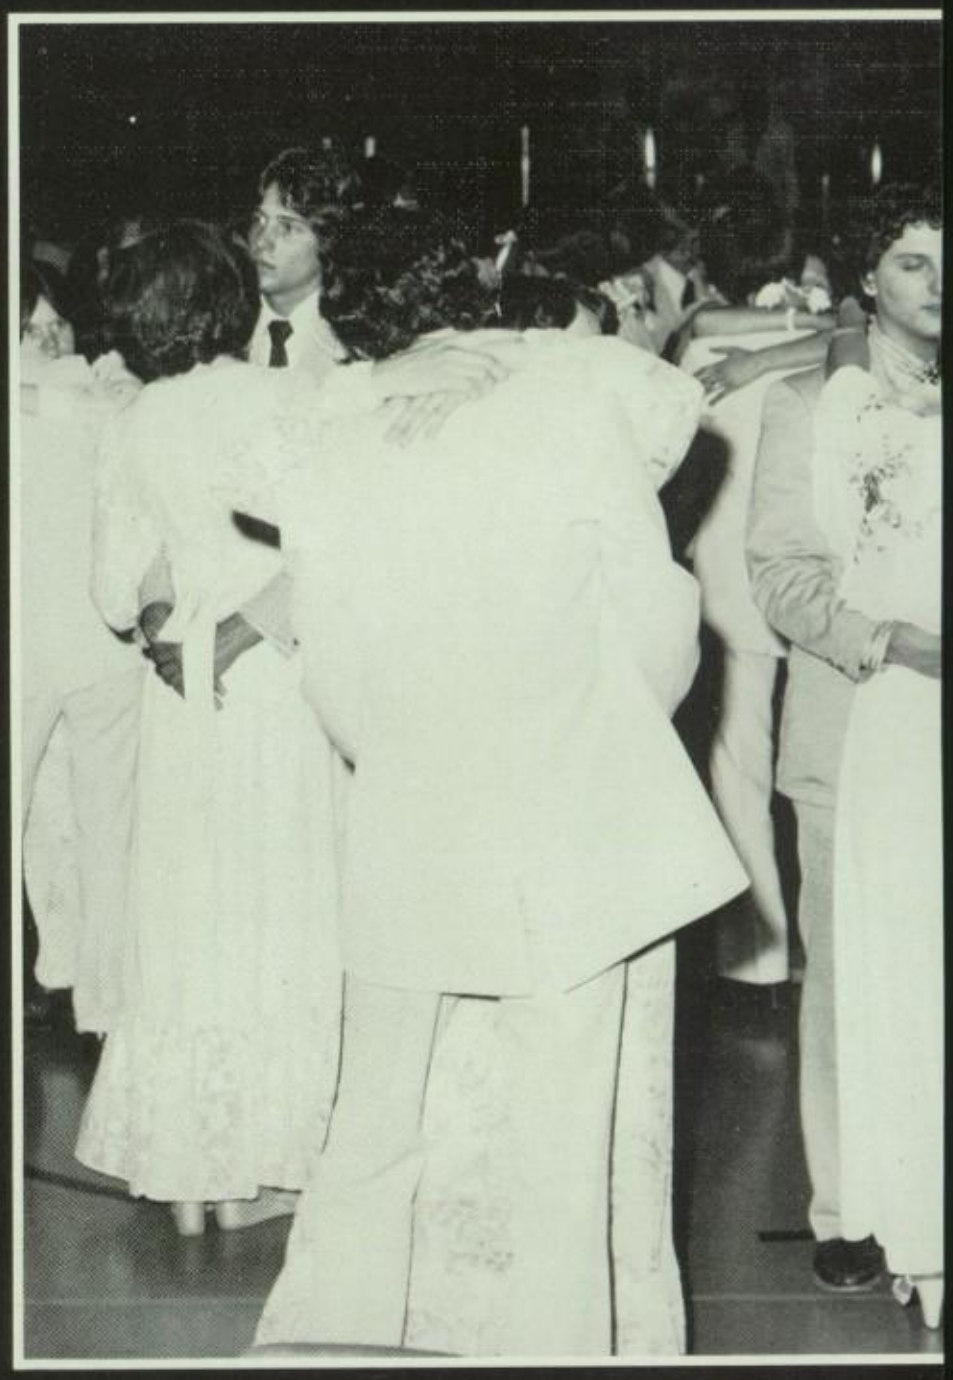
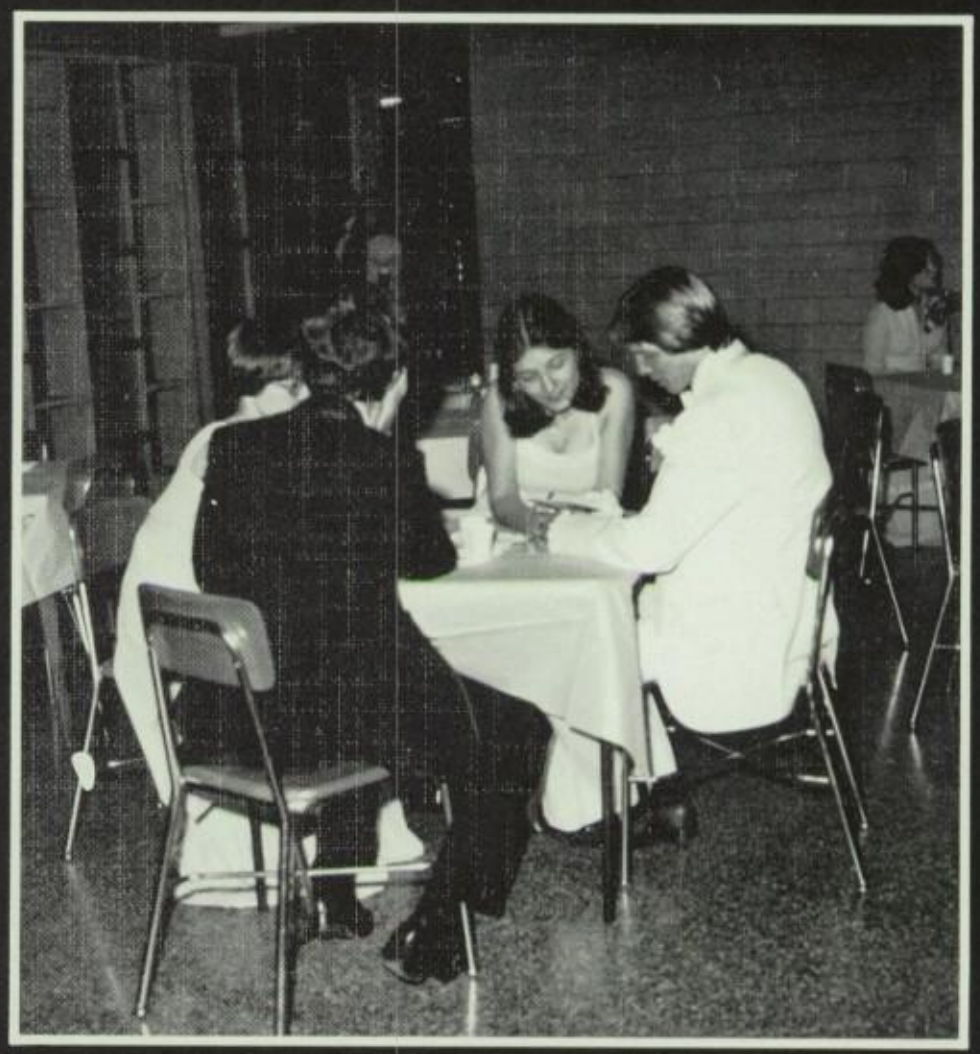
Dream On





On April 29, 1977, the class of 1978 decorated the gymnasium and cafeteria into a peach blossom orchard and medieval tent with a fantasy castle mural. Many hours of committee work and a hurried, but efficient day of decorating resulted in a "Dream On" atmosphere for juniors, seniors, and their guests. The band "Saturday" was excellent. Refreshments were served by Mrs. Anderson. The Waynesboro Chapter of the Moose Club provided after-prom entertainment. To those attending the prom, it seemed magical. But those who endeavored to produce it knew otherwise.

Starring Brian Black and Sherry Foster, this highly amusing play (directed by Mr. Gerald Kowallis) concerns a confidence man (prof. Hill) who tries to swindle a small town by starting a boy's band, intending to skip town with the cash . . . BUT, instead falls in love with Marion the Librarian, whose younger lisping brother is involved with the band. The play was presented to appreciative audiences on March 18, 19, and 20.

On March 18, the students involved in "The Music Man" wore their old-fashioned costumes during the school day.

Several elementary-age children were included in the production. The other Quartet members were featured as strong supporting roles.

Where would WASH team sports be without the faithful ladies in blue and gold? Enthusiastically devoted to encouraging nearly all of the athletic events and pep rallies, except gymnastics and track meets, the cheerleaders were divided into the blue and gold squads, alternating cheering assignments. Callista Mowen is captain of the Blue Squad, and the Gold Squad is led by Lisa Mitchell. For each home football game, area florists donate the girls' corsages. Also at these events, toy footballs, megaphones, and candy were pitched into the crowd.

The cheerleaders must maintain a certain grade-average; in addition, a demerit system helps to determine the girls' eligibility to cheer at the various school functions. The smiling, hard-working girls are a strong contributing part of WASHS athletic activities, and really deserve a cheer from the student body!

Mesaros, W. Smith, R. VanRembo), B. Krueger, B. Snurr.

The 1977 Indian football season provided the usual excitement for large crowds of enthusiastic fans. Head coach Robert Mesaros led the team, headed by co-captains Matt Carroll and Jeff Stepler, to an ultimate 5-5-0 record. This even record, however, does not fully illustrate the fine efforts and aspirations of both coach and team members: the majority of losses were within a few points of being victories.

The Jr. Varsity played fine football despite the lack of players. Coached by R. Beaumont, W. Smith, and R. VanRembo, a newcomer to the coaching staff, the Little Injuns will help form the nucleus of another great Waynesboro football team in 1978.

Once again, the Indian cross-country team ran a very determined, winning season as they achieved a 8-1 record and took third place in the Tri-State Meet. At the District races, all of the varsity team competed. Dwight Wilkinson ran in the State Meet at State College, Pa.

An exciting new addition to girls' sports at WASHS, the Maidens Cross-Country team, had a 1-1 first season. Leading runners of the small but strong group included Kathy Nester, Sherry Bakner, Dawn Adams, and Barb Stouffer.

As the announcement said, this sport is a terrific way to "lose some weight, get into better shape, and see the close-up aspects of the gorgeous cross-country scenery." With the junior and sophomore talent in the team returning next autumn, a winning 1978 schedule is expected.

C. Keeseman, D. Knott, K. Nester, B. Stouffer, J. Wolford, M. Olup, A. Catolina, S. Bakner, D. Adams.

HOCKEY

Ever since the girls field hockey program was established for the junior high schools, the Maidens have been hampered by the loss of freshman members and lack of interest in the senior high. The Maidens and coach Mrs. Mary Rotz felt these handicaps keenly in the 1977-78 season. The varsity team finished the season with a 5-4-3 record, while the junior varsity team coached by Miss Patti Ogle finished with a 4-3-4 record. The team will lose Sandee Meagher, Kim Howe, Donna Newlin, Kathy Nester through graduation, but will retain many players with varsity experience for a better season next year.

A new team sport was introduced to WASHS, and judging from the 1st year's record, was very successful. Maiden volleyball, under Coach Patti Ogle, wound up with an overall record of 11-3, which is quite an accomplishment, Captain Mickie Hoffman cheered her Varsity team to victory many times, and the team members themselves had immense enthusiasm and the will to win.

The J.V. team also did quite well competing against such experienced teams as Fairfield and Chambersburg. Co-captains Kathy Seilhamer and Mary Crise led their team to an admirable 8-6 final record. The J.V.'s were also coached by Patti Ogle.

Patti Ogle (coach), L. Huff, J. Gardnehour, M. Criste, A. Reed, K. Seilhamer, L. Rosenberger, S. Gates, C. Rice, J. Gingrich. Absent: R. Rovnak.

The 1977 Waynesboro Varsity Soccer team ended the season with 4 wins, 7 losses, and 2 ties. The Indian Booters proved to be tough competition, and encouraged by coach Robert Stum, exhibited some really fine playing ability. The team will lose many outstanding players through graduation. Among these are Bob Deegan, Terry Geesaman, and Jeff Barlup.

WASHS has a long-standing reputation for possessing one of the finest wrestling programs anywhere. Under the coaching of Mr. Dave Weber and Mr. Dan Ireland, the Indian grapplers brought the 1977-78 season to a close with an excellent 6-0 Tri-State, 9-3 overall record. The team boasted five champions and four runners-up in the Tri-State Tournament. WASHS was represented at the class AAA level of the District III Tournament by Vic Bowman, Brian Smith, Mark Hutton, and John Taylor. Vic, Brian, and Mark went on to Regionals. There Vic won both matches and qualified for the State competition, the first in WASHS history to do so.

The Indian Basketball team showed their fine sportsmanship once again this year with senior starters Bob Snowden, Dave Spessard and the leading scorer of the Tri-State league, an area comprising of more than 20 teams - Alan Yentsch. Waynesboro scored its highest number of points in over five years in a Tri-State victory over S. Hagerstown, 95-92. The Indians won the championship at the Christmas Tournament in New Oxford and continued with a three game winning streak.

According to coach Sachs, "the remainder of the year was rather frustrating because of postponed games, shortened practices, make-up games involving back to back days, and several tough losses involving close scores."

The Maidens basketball team faced a tough season this year tallying a 2-13 record for the year. This year's three starting seniors were Michele Flood, and co-captains Kathy Nester and Kim Howe. The Maidens participate in the Blue Mountain League and this year's coaches are Cheryl Finafrock and Nancy Ringer.

The 1977 WASH golf team had an excellent 12-0 slate in Tri-State competition. Their overall record was 13-1 losing only to Chambersburg. Mr. Sachs, coach, had several experienced golfers this year. Among them, Senior Alan Miller, and Juniors Harold Blubaugh, Andy Rodgers, and Chip Terry. This year was an encouraging lead to an even better season in 1978.

The WASHS Boys Track and Field team produced a 4-4-1 record with many close losses. Coaches were Mr. Robert Stum, Mr. Barry Mummert, and Mr. Ken Mowen, who are looking forward to the 1978 season with the return of many experienced underclassmen.

The Girls Track and Field team continued its strong winning season with an impressive 13-1-0 slate. In their fourth year of competition, the Maidens have lost only to Chambersburg. Coaches were Mr. William Zehler and Mr. Charles Allese. In the Blue Mountain Conference Meet the girls came in a close third place.

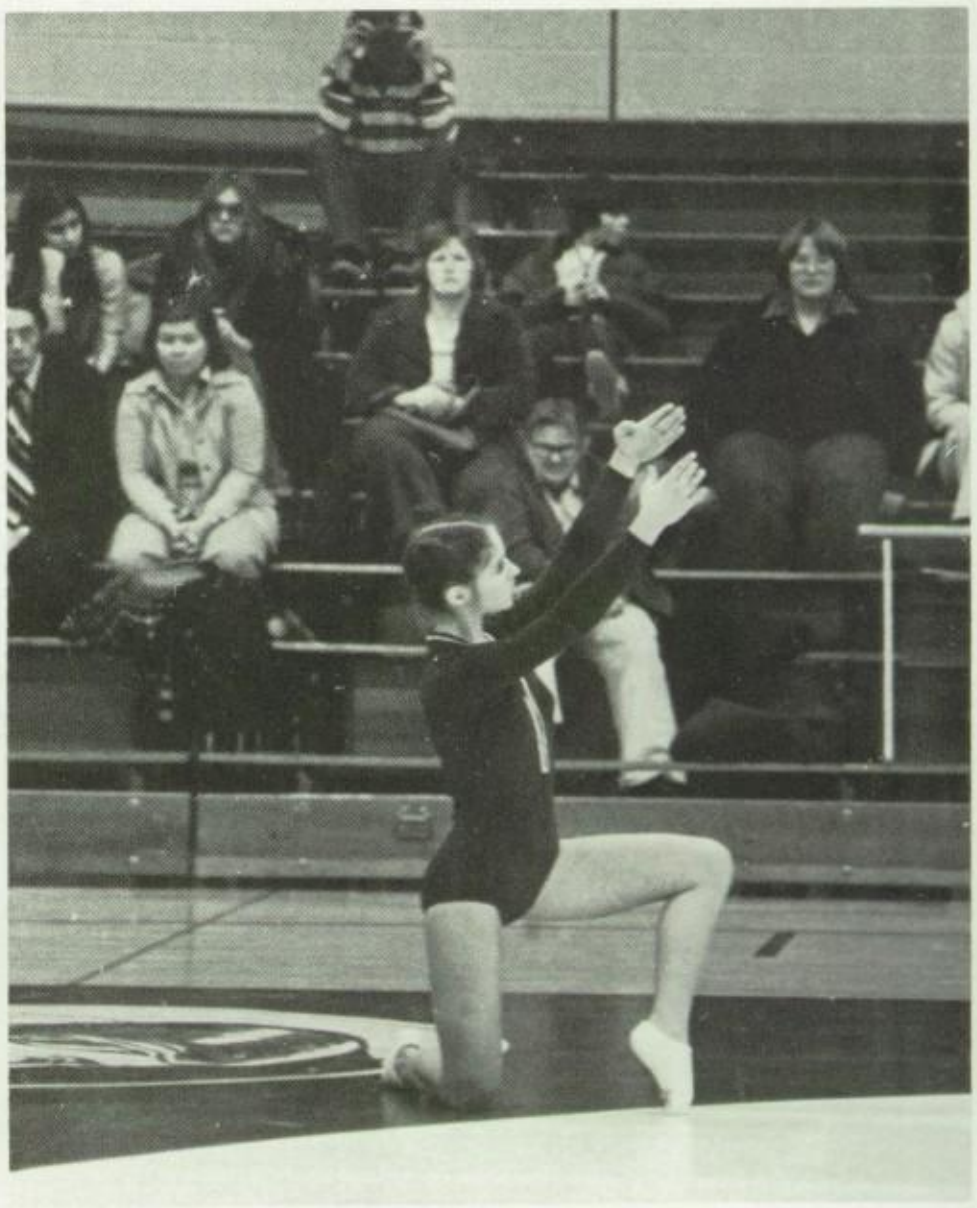
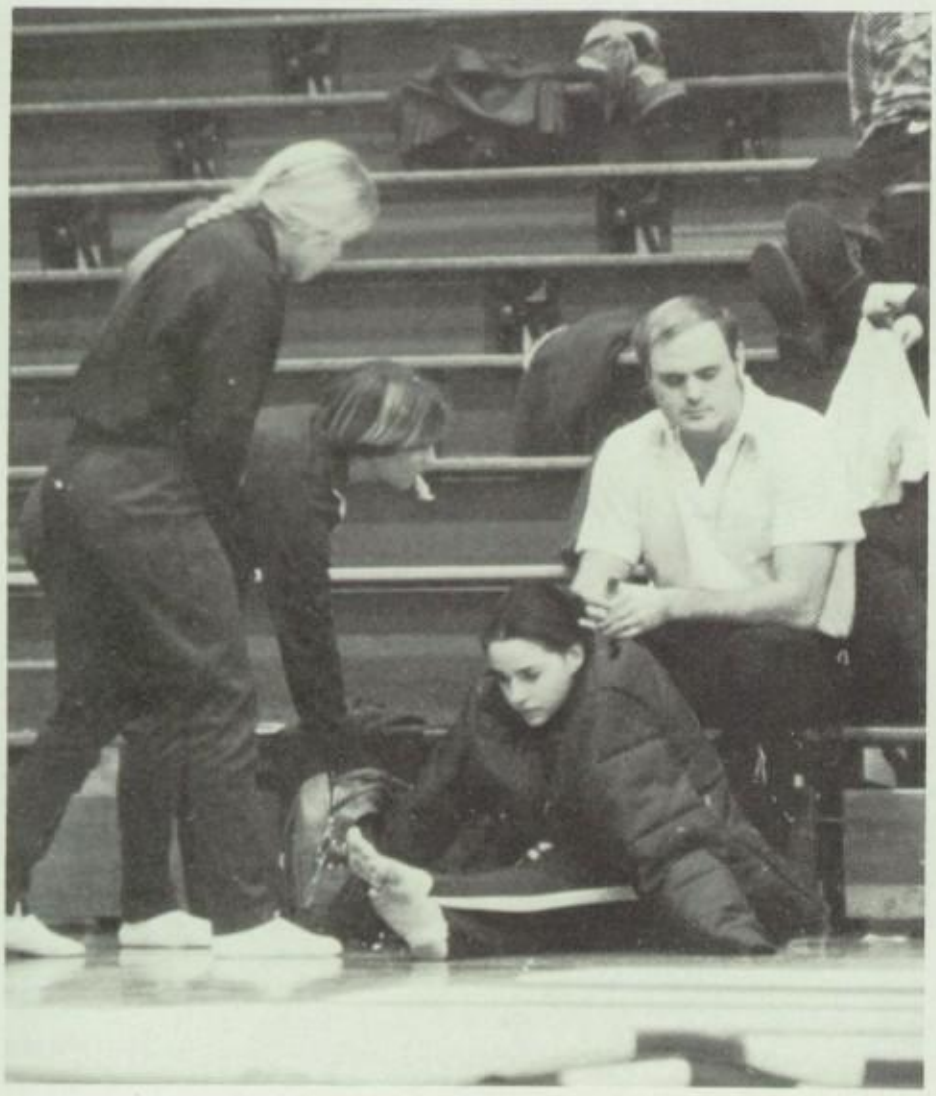
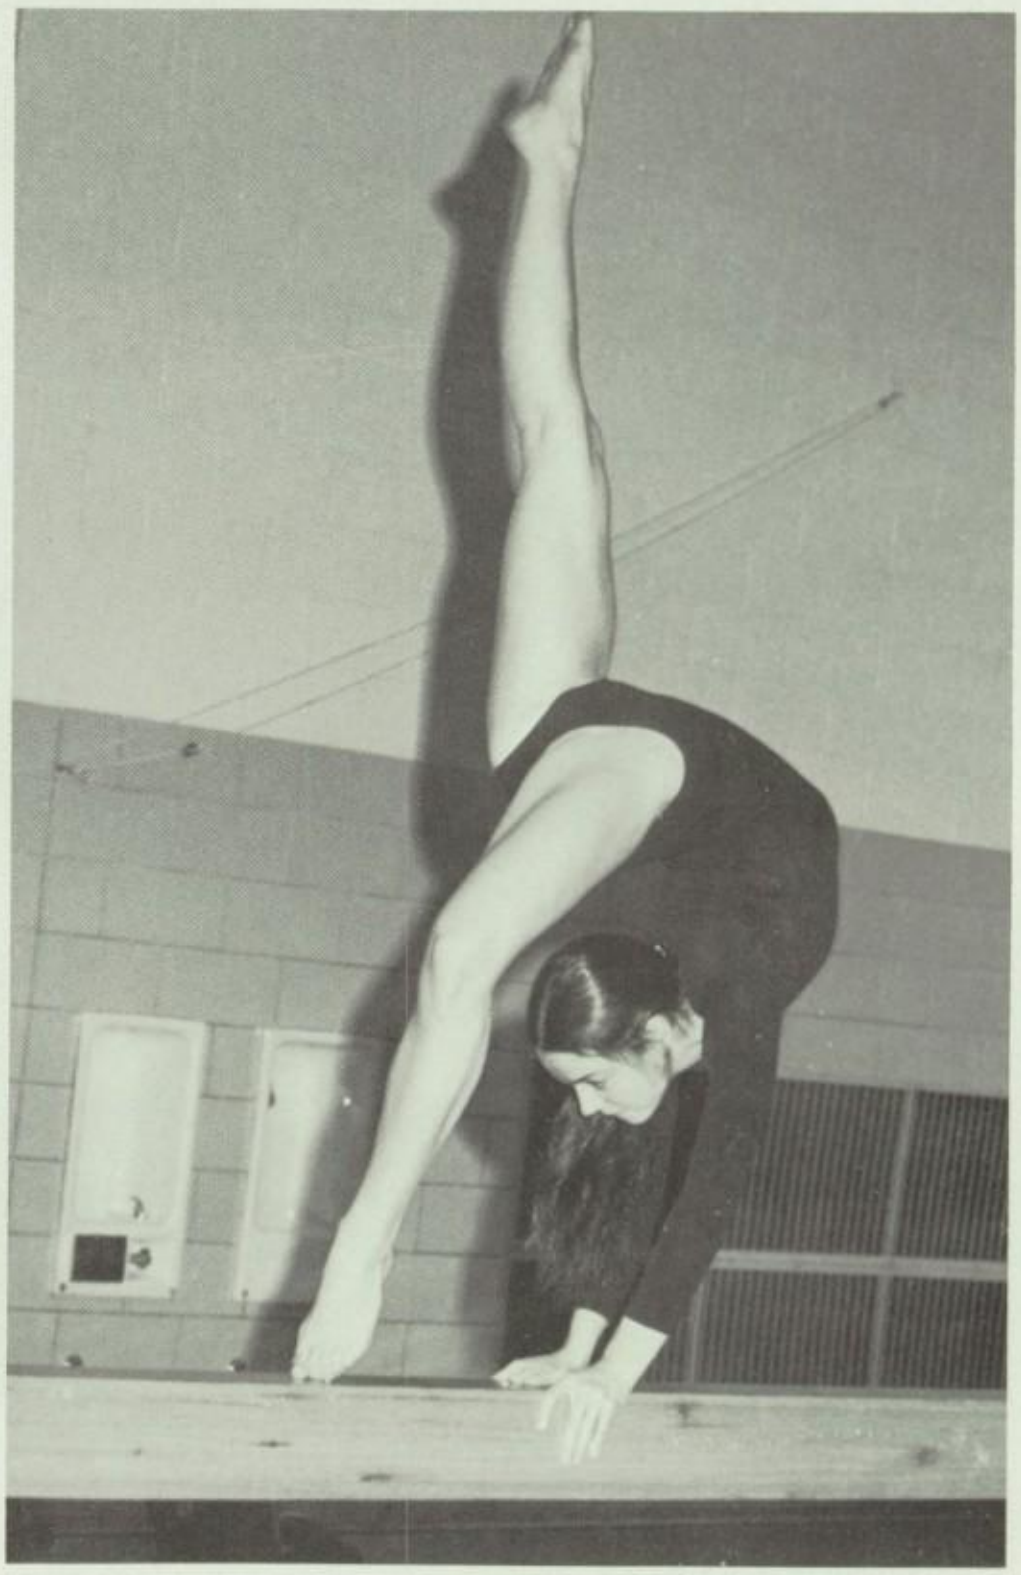
The WASHS girls gymnastic team had 20 girls in 1977-78, its third extremely successful season. Co-captains were Jean Bumbaugh and Toya Kline. These hard-working young ladies were enthusiastically coached by Mr. Robert Beaumont and Mrs. Bonnie Wolff.

Nine girls qualified for the Tri-County Championships. Chris Bryner competed well in all four events. Jean Bumbaugh and Alison Margin competed successfully in the District III Division. Alison triumphing with first place in floor exercise. Miss Margin participated in the state championships in Shippensburg on Saturday, February 25, 1978.







BASEBALL

The Indian Diamondmen can look back proudly at the 1977 season. The varsity team, coached by Mr. Richard Hersh, posted a 9-8-0 slate. The team included many excellent players. The Li'l Injuns also had a winning season. They were coached by Mr. Joseph Mackley. Their season record was a fine 5-3-0. Both coaches anticipate a good turnout of veteran and rookie players for an even better 1978 season.

The 77-78 advisors for the Indian Club were comprised of the coaches of the varsity sports, but the principle advisor was Mr. Beaumont. With money earned through last year's candle sale, the Indian Club contributed a stereo system to the boys locker room for use by sport teams and gym classes alike. A candy sale is planned to pay for the varsity jackets and possibly a trip to a sporting event. To add more money to their coffers, the Indian Club runs the concession stand at the winter sporting events.

Congratulations SENIORS

May health, happiness, and success be yours in the coming years. Thanks for the cooperation in helping me in my efforts to please you.

Thanks also to Robert Rankin, business advisor, Lee Knier, literary advisor, yearbook staffs, and the High School Administration.

My sincere appreciation for the many considerations which made our work easier.

This studio is proud to be your official photographer.

Sincerely,

Russell & Margaret Bennett

Congratulations to the

CLASS OF 1978

Today, you stand on the threshold of a new life. You are at the cross-roads of a hundred paths leading into the future. Which one shall you choose?

Before you decide, remember that fame and fortune are often envied by others - but seldom respected! Keep in mind that an individual's real worth is finally determined, not by the number of servants he has had, but by how many people he has served.

Whichever road you choose, be sure that it is well-travelled by many friends. Be certain that there are places along the way where you can stop and rest, and meet your fellow travellers. Be careful that your pace is not so swift that you have not time to assist a friend, who may have stalled along the way.

Whatever name you may have given to the goal you have set for yourself, in the final analysis, it is truly defined as personal satisfaction, or happiness.

That is a commendable goal and worthy of attainment. However, there is one thought that we must keep uppermost in our minds:

IN ORDER FOR PERSONAL HAPPINESS TO ADD AND MULTIPLY,
WE MUST SHARE IT WITH OTHERS.

May God lead you to you goal.
